

Providing Powerful Learning Opportunities To Educators

New to the Digital Teaching and Learning Team, Sarah Cardwell and Teika Clavell are your new Educators on Loan; bringing personalized learning to your district! Our goal is to support your digital teaching and learning in the classroom.

What better way than to personalize and differentiate professional development based on what your district needs and not a one size fits all.

Build Your Own PD

1 MAY WE TAKE YOUR ORDER?
Pick from our menu of PD options to help us personalize your learning.

2 ENJOY THE MEAL YOU BUILT IN THE ORDER THAT SUITS YOU BEST!
Please enjoy an appetizer of digital tools with your entree but make sure to save room for a delicious helping of making data work for your dessert!

3 CHECK PLEASE!
We want to follow up to see what worked, how we can help and collect real stories.
